Story

New Cases for all Piranha Pirates!

Ghosts don't exist. Actually. But what is it that haunts the ruined tower of an old castle? Of course Lena, Leon and Till are determined to find out! No sooner have they done that than they are already in the middle of the next case: there is something fishy going on at a climbing competition. Will the detectives uncover who is behind it?

Here the readers take over the investigation! Exciting hidden object pictures full of clues and the enclosed magnifying glass help them find the right clue and solve the cases.

- Interactive puzzle mystery for children aged 8 and over
- 6 detective cases and 60 hidden object pictures

- With removable magnifying glass for deciphering codes

Lydia Hauenschild

Lydia Hauenschild was born on a farm in 1957 in Bavaria. Life on her parent's farm influenced her childhood immensely. She studied agriculture and turned to writing only when she discovered that there were no guide books on parenting twins after her children were born. The quick success motivated her and she has written a number of children's books since then.
