Story

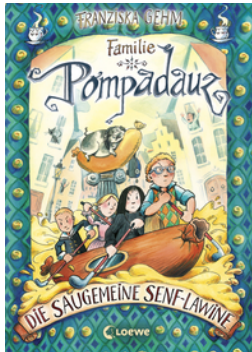

Banshee bacon butties! The first day at school after 99 years is hard enough, but what about having to complete a seek and find task as well? Namely, to find a magical time compass that could be just anywhere? This is no easy task for Kasmiranda, Milford, Jonni and Melusine, and Ingeborg, the imperial pot-bellied sow. Not sooo difficult, either, given that a (fresh) blast from Ingeborg proves capable of summoning help! Very soon, the friends are uncovering a great secret... and making an astonishing discovery!

„A story told with lots of wit, wonderfully illustrated.“ Lausebande - Elternmagazin

Franziska Gehm

Franziska Gehm was born in 1974. She studied English, psychology and intercultural economy communication in Germany, England and Ireland. After finishing her studies she worked at a grammar school in Denmark, for a German radio station and in a publishing house. Today she works and lives as an author and translator in Munich with her family. Many of her books have been translated into various languages.
