**Story**

47 B.C.: the whole of Rome is in a fever of excitement over the chariot race for the Egyptian Queen Cleopatra. But suddenly mysterious things are going on in the Circus Maximus: have the horses everyone expected to win been poisoned?

Against a backdrop of historic events, children from various epochs solve mysteries. Whether it is a theft in a monastery, a gang of confidence tricksters in Barbarossa's time, or a plot centered on the payment of Varus' legionaries - our "History Mysteries" bring the Middle Ages, ancient Egypt and the Roman Empire to life. The detailed appendix provides information about the epoch in question. "History Mysteries" make history fun!
