Story

Quinsai, 13th Century: Marco Polo is a guest in the prefect's house when a burglar steals a precious vase. A kitchen boy disappears without trace during the same night. Neighbour children Ping and Meili are bewildered. But the solution of this case lies closer than they might have thought...

Against a backdrop of historic events, children from various epochs solve mysteries. Whether it is a theft in a monastery, a gang of confidence tricksters in Barbarossa's time, or a plot centered on the payment of Varus' legionaries - our "History Mysteries" bring the Middle Ages, ancient Egypt and the Roman Empire to life. The detailed appendix provides information about the epoch in question. "History Mysteries" make history fun!
