Story

It is 1250 B.C. and tomb raiders are at work in the Valley of the Kings. Thuja and her friend Hapu have no idea what dangers await them when they enter the underground grave chambers of Thebes in search of the book of the dead. They realize that even the Pharaoh himself is in danger!

Against a backdrop of historic events, children from various epochs solve mysteries. Whether it is a theft in a monastery, a gang of confidence tricksters in Barbarossa's time, or a plot centered on the payment of Varus' legionaries - our "History Mysteries" bring the Middle Ages, ancient Egypt and the Roman Empire to life. The detailed appendix provides information about the epoch in question. "History Mysteries" make history fun!
