What happens in Vol. 8:

Scary Harry is kidnapped by the ghost mafia that was hired by Darko. Now Otto has to stand in as the grim reaper. Surely Emily aka Gundala won't leave him alone with that. The two of them investigate and discover more and more deeds of darkness. Was Scary Harry put out of action by a poisoned pizza? Seconds after Otto found out about that he's already in a conflict with the clapperbinieri, the Italian Grim Reapers and lawmen.
