Friday, the 13th. At midnight. Caspar watches Sam's blue hair fly with the wind when the train is speeding past. He really doesn't know anything about her. Only that both of them have been selected for this challenge by Ghost. Together, they're waiting for his first message. The instruction to one of their five tasks in this night. A dangerous game that knows only this end: their suicide.

Carolin Wahl

Carolin Wahl was born in Stuttgart in 1992 but feels just as much at home in other countries as she does in

Swabia. No matter whether the faraway places are between two book covers or waterfalls in the middle of Norway. She loves romantic stories just as much as a thick fantasy book. Today, the SPIEGEL-bestselling author lives with her family in her hometown. Further information on the author can be found on her homepage carolinwahl.de or on Instagram and TikTok @carolinwahl_
