*The “A Guide To...” series aims at informing children and young adults aged 12+ about selected general knowledge topics, giving them all the key facts about a specific topic. It’s an ideal icebreaker resource for teachers. For all other readers, it serves as both a reference work and a book to read for fun.*

Google, YouTube, Facebook, Twitter, Instagram and other social media are everywhere in our daily life. It can be quite difficult to figure out what is real and what is fake or manipulated. Often the source and origin are untraceable. The award-winning author offers a competent and true-to-life view into the overwhelming world of media. He also gives handy tips on how to use these sources competently.
