### Learn English with Picture Mouse:

A Picture Mouse story is printed as a parallel text in the native language (German in the Loewe edition) and English, helping children aged 5+ to learn English – as easy as ABC! The English vocabulary featured in the story is provided on every page and can also be practiced using the accompanying domino game.

## Press commentaries

"A wonderful way to approach the English language." Hamburger Morgenpost

"The cute illustrations on every double page, the large font and short sentences ensure that early readers find their way in the text. The books from the 'Picture Mouse - Learn English with pictures'-series are a great and entertaining support for English taught in pre- and elementary schools."

Lisa Herden, Eselsohr
