Become a STAR between nightfall and daybreak...

Collin simply doesn't get why he is not the coolest and most popular guy in school... He is good looking, has popular friends and is everything but a hard-working student or even a nerd. Collin's saving idea to get out of this anonymous zone: An own YouTube channel that will make him become the boy all girls want!

Because that's where all the cool girls (especially the best one Kim) go to find new hacks for beauty, outfits, travel destinations and even educational issues...

So Kim should/will/MUST notice him there, right?

"A teen scribble novel in which a twelve or thirteen year old boy talks about his worries in such a way that even lazy readers are tempted to turn the pages!" Mathias Ziegler in the Wiener Zeitung
