The Creative Scratching series encourages young, old and most importantly new artists to let their imagination run riot! There is plenty of scope for creativity, with the wooden stylus transforming the black pages into colourful, glittering works of art.

Get your imagination working! Loads of pictures are waiting to be completed. Just trace some lines on the black surface, and suddenly there's a riot of brilliant colour. That's because a bright pattern and glittering colours are lying beneath the black layer. Will it turn into a shimmering fish or a crown for a king? The young artist decides!
