Tim is desperate: his new friend Sergio Mavalli, the world famous superstar soccer player, disappeared! It has been weeks since he heard from him. But then, the Norwegian striker Dagur Dagursson suddenly turns up in Hegenwald. Could it be that he was bought by accident through the app as well?! Tim suspects that everything is connected to the mysterious tablet that he got – it contains top-secret trainer knowledge. In the end, only a competition can show who the best ace striker is – Mavalli or Dagursson?

Ocke Bandixen

Ocke Bandixen has been telling stories for as long as he can remember. Born in 1970 in North Frisia, he

studied literature and now works as a radio journalist. He lives in Hamburg with his large family and reads to his younger children every evening. By the way, he's not particularly good at playing soccer—that's what the wonder striker is for!
