Get your imagination working! Loads of pictures are waiting to be completed. Just trace some lines on the

black surface, and suddenly there's a riot of brilliant colour. That's because a bright pattern and glittering colours are lying beneath the black layer. Will it turn into a shimmering fish or a crown for a king? The young artist decides!

Give free rein to your imagination and scratch a tutu for the teddy, a dancing partner for the ballerina and hearts for the stage's decoration! Just start scratching, and patterns and colours will emerge. But what is that? The ballet shoes are a mess! Do you know which ones belong together?
