Who wants to decorate the Christmas tree, built a gingerbread house or find a sled for Santa? With this book, children can shorten the long wait for Christmas by scratching angels and snowflakes.

Welcome to a magical world! Trace a couple of lines, and magical images start to appear on the black surfaces. That's because there are brightly coloured patterns and glittery colours hiding beneath the black layer. Children can scratch away to their heart's content, revealing fairies, castles and glittering starry skies, and giving free rein to their imagination and creativity.
