Story

Early learning through playful puzzles

In this preschool pad, children from the age of 4 train their spatial imagination in varied exercises on proximity and distance, positions, sizes, directions and different perspectives and can thus develop important basic skills in a playful way. A mix of proven task types and modern, colorful illustrations, the Little Quiz Dwarfs are the perfect accompaniment through kindergarten and preschool.

- Highly popular and well-established didactic concept/brand
- Quizzing, puzzling and learning in preparation of the start of school
- Includes solutions
