Story

Little mermaid, big heart.

It's summer holidays and Marisa Mermaid is enjoying the days off with her human friend Ella and the two ponies Azora and Luna. But one evening a bad storm comes up, bringing great danger with it: Fire jellyfish are washed into Moon Bay! The underwater infirmary fills up and Ella's pony Luna also injures herself on a jellyfish during a beach ride. Of course Marisa and Ella help the sick pony. They go in search of marigolds, which are supposed to help against the jellyfish poison. Can they find the special flowers and heal Luna?
