Story

About releasing anger and giving comfort

The little hedgehog is terribly angry! The sparrow has just sat down in hedgehog's little house and that belongs to the hedgehog alone! He rages and cries from all the anger. Fortunately, the other animals know what to do: Bear brings a pillow for him to punch, Deer stomps the anger into the ground and Mouse shows how to catch his breath again. So even the biggest anger is quickly gone.

- Loving illustrations with practical tips, which immediately help with feelings of anger
- Developed with psychological advice: Using rituals and rhymes to comfort and calm
- Bestselling and innovative 'Ritual' concept: Over 55,000 copies sold of the series and over 200,000 copies gifted to German families by the Ministry of Education

Katja Reider

Katja Reider was born in 1960. She studied German literature and media science in Göttingen. She created her first picture book during a particularly rainy vacation. By now she has published several books for children and young adults that have been translated into many languages. She lives in Northern Germany with her family.
