Get your imagination working! Loads of pictures are waiting to be completed. Just trace some lines on the black surface, and suddenly there's a riot of brilliant colour. That's because a bright pattern and glittering colours are lying beneath the black layer. Will it turn into a shimmering fish or a crown for a king? The young

artist decides!

Who builds the highest sand castle? Which animal is the fastest? And what does the rainforest look like? Imagination is needed! It takes only a few lines until magical pictures occur as underneath you'll find various patterns and colours. Let your imagination fly and create your own crest, gigantic dinosaurs or exciting water slides.
