Story

Learning has never been so easy!

- Playful learning of numbers, letters, reading the time
- Trains logical thinking and visual perception
- Perfect preparation for homeschooling
- With solutions for self-monitoring

In this thick pad, a colorful mix of puzzles on the most important pre-school topics awaits children aged 5 and up. In a playful way, kids can practice everything they need for kindergarten, and train concentration, logical thinking and visual perception. Thanks to the age-appropriate illustrations, these puzzles bring lots of fun!
