Story

Three sisters, three challenges, three winners of hearts?

Although they are sisters, Lina, Kaya and Nika couldn't be more different. While Lina enjoys her life to the fullest, Kaya is a full-time perfect student. Nika, on the other hand, always falls for heartbreakers – but together the three of them fight against all odds. In life and in love!

Tattoos, leather jacket and unbelievably charming: a bad boy from the books. In a bar, Lina and her two best friends rate guys on Tinder on a scale from 1 to heartbreaker. The reason is Lina's little sister Nika, who has once again fallen into the bad boy trap. When the very guy on Lina's display just walks through the door – clearly identified by them as a womanizer – her friends challenge her: Lina is to prove to them that she can resist him, effortlessly. That's how the Bad Boy Challenge begins... the stakes: nothing less than Lina's heart.
