Story

Collin rocks - From underdog to Youtube star and ... school can be cool!

• Illustrated in doodle design by popular Zapf!
• Witty storytelling by Sabine Zett, one of the most busy authors in Germany \x1A
•Absolutely unisex because of it's great and current topic/dream job of kids aged 10+: Becoming a famous influencer with thousands of followers! <3

Collin is beaten with not being the most popular guy at school… He is good looking, has popular friends, in short everything but a nerd. So why is he not cool? His saving idea to leave this anonymous zone: a YouTube channel. This will make him a star overnight!

What happens in Vol 2:
Collin has almost succeeded: his relax-channel has got over 100 follower yet! As the cool guy with the mask he´s the star of the school – but unfortunately his true identity is still a secret … which doesn´t help to impress the girls. When the music teacher plans to found an orchestra for a school concert, Collin´s moment has come. He founds his own band – with Kim as rapper! But a band is not an orchestra and he has to convince the school director … nothing simpler than that for a YouTube star!
