Story

The animals at the wildlife park are in uproar: one of the baby rabbits has gone missing! Luckily, Ruby the raccoon with her emergency detective service is on hand to help solve the mystery. And because there are so many witnesses to interview, Pai the red panda steps in as assistant detective.

But everyone claims to have seen something out of the ordinary, and Pai finds it more difficult than he'd expected to keep his eyes open: after all, it's high time for his afternoon nap... Will wildlife park detectives Pai and Ruby manage to rescue the little rabbit?
