*Get your imagination working! Loads of pictures are waiting to be completed. Just trace some lines on the black surface, and suddenly there's a riot of brilliant colour. That's because a bright pattern and glittering colours are lying beneath the black layer. Will it turn into a shimmering fish or a crown for a king? The young artist decides!*

Where are the most beautiful pearls? Who bewitched the mermaid? Which treasure brings the merman along? What grows in the garden underneath the sea?
