### **Learn to read with Tafiti**

Tafiti and Bristles are fetching water from the river when they run into King Kofi, who fancies some red river hog for his breakfast. Bravely, Tafiti hurls the watering can at the lion and King Kofi accidentally bites into it. He hurts his tooth and roars in pain. King Kofi has to have his mouth bandaged up and is told to get plenty of rest – great news for Tafiti. After all, a lion with a bandage round his mouth can't do much to hurt a meerkat!

## Julia Boehme

Julia Boehme studied literature and music and afterwards worked as an editor for a children's TV programme. One day she remembered that as a child she had wanted to become a writer. Right away she decided that from now on she was going to be a writer exclusively. Ever since she is creating new stories for television and writes children's books.

## Press commentaries
