Story

WHERE THE HELL IS CORNIBUS?

- **90:10** picture ratio
- **Ingenious and witty illustrations** by Raimund Frey
- Bone dry humor; exciting and entertaining!
- A story **for boys and girls**
- Independent Spin-Off of Lucifer Junior

Lucifer is in a hurry, because Uncle Gabriel is already waiting for him and Cornibus.

But Cornibus wants to play hide and seek. Right now!!!

As soon as Luzie has turned around, the little house demon has already disappeared. Oh no! Now he can search all hell for him. Papa Lucifer is not much help in searching and even in Stevens control center with the many screens – not a trace of cornibus. Ambus, the Hellsmith, has not seen the little house demon either and sends Luzie to Labskaus in the kitchen. But there is no Cornibus to be found either there or at Figarus. Or did Luzie just not look closely enough?

Clever Loewe-Wow! readers have of course discovered Cornibus long ago. He hides on every double page, sometimes as a mouse, sometimes as a chameleon and even as a polar bear fur bedspread in Lucifer's Senior study.
