## **Story**

*Warlock Basil Humbuck has a terrible plan: he wants to destroy the Magic Spring - and with it the entire Enchanted Forest! But Humbuck has not factored in the interference of student magician Flo and elf Ava.*

What happens in Volume 2:

The Great Grol has reached the Magical Forest Lake! The elves quickly build a dam against the poisonous water of the giant worm. But against the Grol itself they are powerless, only Flo can help them. To free the worm from its curse, however, he would have to touch it - impossible. So instead, Flo casts a protective spell, and with the help of Ava and the magic of the Enchanted Forest, he manages to secure the lake.
