Story

Courageous children can change the world! A new case for the Amazon detectives

An exciting and multi-layered detective series for children aged 9 and up, with the unusual setting of Brazil and the strong themes of school, detectives, and criminal cases. In this series, the different realities of life for German and Brazilian children become apparent.

What happens in Vol. 2:

A stuffed giant sloth has been stolen from the local natural history museum and the museum director hasn't been seen for a while either. Something's fishy, that's for sure! Apparently he was planning to travel to a nature reserve. But why did he leave secretly? Does he think he'll find a living sloth there? Or has he been kidnapped? And what is it about the confiscated hunting trophies that the amazon detectives hear about in town through the beggar's rumor mill?

- Adventurous **detective series** in an exotic setting
- **Up-to-date topics:** Ecocide, Climate Protection and Social Values
- **Excitingly told** by **bestselling storyteller Antonia Michaelis** who has lived in Brazil!
- Balanced text-image ratio

Antonia Michaelis

Antonia Michaelis was born in North Germany in 1979. She spent the first two years of her childhood in a tiny village on the Baltic seaside. Later on she moved to South Germany and spent her childhood and adolescence surrounded by her crazy-likeable parents and various cats. She started writing stories at a very young age. After finishing school Antonia Michaelis left Germany and moved to South India for a year. She worked in a school near Madras as a teacher for English, arts, and acting. Various journeys took her to Turkey, Italy, Greece, Syria and the UK.

Today, the young writer lives in the Northeast of Germany. She has just finished studying medicine and has dedicated herself for the time being to writing children's books.
