Story

Big connections - simply explained

„SIMPLY EXPLAINED“ delivers what it promises: complex topics are presented in easy-to-understand texts and descriptive infographics. Short chapters, a clear structure, and a cool mix of photos and in a modern way illustrated graphics help readers aged 10 and up to acquire new knowledge quickly and easily. You'll understand what's going on - guaranteed!

- Kickoff of a new, modern non-fiction series for kids ages 10 and up
- Contemporary teaching of General Education topics
- With colourful infographics, many info boxes and photos

What are media? Where do the dangers lurk on the Internet? What are conspiracy theories all about? How do data protection and copyright work? And how can I protect myself from cyberbullying? Simple explanations and vivid infographics teach media literacy in an age-appropriate way and answer basic questions.
