Johanna and her dad are camping in Sweden. A real adventure vacation - maybe a little too much adventure when a bear comes looking for something to eat at their place. Tom and Jan are camping in the garden - preferably without their little sister. But maybe a fearless little sister isn't so bad when it crunches and cracks outside the tent. Mia and Emma are at summer camp on the island of Rügen. It could be so nice if it weren't for the super show-offs. But then they discover a seal in distress and the vacation becomes nice after all.

Anni Möwenthal

Anni Möwenthal was born in 1991 in Cape Town. She moved to Germany, her father's homeland, to study journalism and began writing stories for children. Nowadays, she is almost always traveling. She loves exotic animals—but only in their natural habitats—and spends much of her time on expeditions in the world's remaining forests, where she gathers inspiration for her work.
