Story

Fascination Egypt!

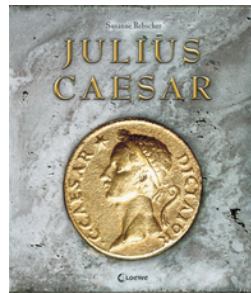

1992 Howard Carter made an exceptional discovery: In the Valley of the Kings he has found the grave of Tutanchamun! Sensational in particular is the good shape of the grave and all the treasures which got buried with him. This is the most significant discovery of the century. It changed the world: Adventurous turn into serious researchers. Today archaeologists use modern technologies to disclose the secrets of the mysterious Ancient Egypt.

This extraordinary title on Ancient Egypt will provide the reader with a historical overview of the times from 2000 BC to the rise of Alexander the Great. The author explains the secret of hieroglyphs and the customs and traditions of the Egyptian people. Plenty of special features, pop-ups, and removable documents make this book something special!
