### **Story**

Each title in the Picture Mouse series contains four short stories about the adventures of a loveable character or an exciting place. In the text all the nouns are replaced with small pictures, which children of 5 and up will be able to recognize and name while they are being read the story. And with the assorted stories about an exciting adventure in a tree-house, a very special dog or the adventurous life of a pirate, learning to read with pictures becomes a truly exciting game.
