Story

The Vampire Sisters are back!

- The prequel to the successful series – for existing fans and newbies alike!
- A vampirically good new series for girls aged 8+
- With humorous illustrations in black & pink
- Light-hearted comic style
- Three successful films with 5 million viewers in Germany
- Can be read independently of the original series

In The Vampire Sisters black & pink, we meet Sylvania and Daka at the age of eight-and-a-half. The twins stay with their Grandma and Grandpa, where they have lots of vampiric adventures! In these books, younger readers can discover the world of the vampire sisters before moving onto the 'big' series when they are ready.

What happens in Volume 4:

What a bummer! The vampire sisters have to come along to a big family reunion at the Schlosshotel. At the hotel they aren't aloud to fly nor to do any other cool vampire stuff. Out of their boredom the girls even become friends with a boy. But Lupo seems to have a secret. He acts weird when it's getting dark outside...
