Deep in the Twinkling Forest lives a lively, brave little glow-worm called Gloria. But Gloria is no ordinary glow-worm, she is the first female glow-worm ever to learn how to fly. Every night she flies through the Twinkling Forest with her friend Lilly Belle the dragonfly, and they have all sorts of magical adventures together.

What happens in Volume 3:

I'm Gloria and together with my best friend Lilly Belle I experience many adventures and this time I even get to know Marie the ladybug. As a glow-worm I'm only out and about during night-time but it's my biggest wish to see the sunrise sometime. I hope I manage to stay awake until then...
