Story

Theo is very happy! He will spend an exciting day with his friend Drafunkel in Dragon City. They have a lot of fun together, but weird things happen in Dragon City. Drafunkel and Theo start to investigate and try to help their friends.

Key Points:

- early novels with several chapters to be read by an adult and a first reader
- the texts work like a role-play: the children read the part of the protagonist, while the grown-ups read the rest
- the texts differ in font, layout and extent, adapted to the children's needs
- generous and colourful illustrations are immersed in the text
