Story

An exciting feel-good fantasy – come and enter Ruby's world!

Ruby Fairygale lives with her grandma on a small stormy island near the coast of Ireland, where they look after animals. But they have a big secret: they know about the magical mythical creatures on the island and they help them whenever they are ill.

What happens in Volume 4:

Patch Island is in absolute chaos. But Noah is finally being invited to Fairy World - of course, Ruby will accompany her best friend, no question. But a rude surprise awaits them: The Great Fairy Council does not trust them, and Ruby and Noah must prove that mythical creatures are in good hands at their nursing ward. When suddenly more and more Banshees, Fairies and Goblins bustle around Patch Island, the situation gets out of hand ... With the help of her new friend Fairy Felicity, Ruby wants to restore harmony on Patch Island. But will they succeed or make the chaos even worse?
