### Jennifer Benkau

Jennifer Benkau was born in 1980 in the neighbourhood of Cologne, where she still lives with her husband, three children and two cats. After spending her childhood days hammering stories out on a typewriter, she no sooner grew up when she fell promptly into a deep sleep, like Snow White, that lasted for ten years, until one stormy night, she was kissed by her first idea for a novel and awoke. From that moment on, there was no holding her.
