Story

- 15 magical pages with colourful patterns
- 3 pages with glittering foil
- Additional pages for more drawings and sketches

Get your imagination working! Loads of pictures waiting to be completed. Just trace some lines on the black surface, and suddenly there's a riot of brilliant colour. That's because a bright pattern and glittering colours are lying beneath the black layer. Draw cute headbands for the cute ribbons or toys for the kittens. Don't you want to help the witch looking for a new animalistic companion or design a new tree for climbing? The young artist decides!
