## **Story**

### **Lola and Flo's latest adventure**

Secret agent? Is Lola when she's asleep at night and then saves the whole world. At least. Unfortunately, it doesn't work quite so well during the day. A stupid critic is complaining about Papai's Brazilian restaurant! And all because he thinks Flo's hamster, which happened to be doing a tour of the restaurant, is a rat! Of course, Lola and Flo are hot on the guy's heels. Their mission: the article must not be printed under any circumstances. But at the most exciting moment, the son of their arch-enemy turns up and really throws Lola off her stride with his starlight smile ...
