Story

Christmas at last! Suta and Gihon, the little angels, are very excited: Today, they are allowed to fly to earth with the other angels and bring Christmas blessing to mankind. Oh dear, in their haste, they've crashed into each other. When the little angels come round, they find themselves at the Christmas market, and they've forgotten all about their mission. King Rudi, the Ferris wheel proprietor, sees an opportunity for him; the glowing little angels will be his latest attraction. Fortunately, Suta and Gihon recall their mission just in time, and bestow a real Christmas miracle on the market-goers.

A modern Christmas story filled with love and warmth, based on the successful radio play with the same name.
