Story

What the hell has happened to the Devil?

- A hilarious comic-style series with a fantastic hook
- The perfect combination of a school topic and devilish fun!
- Humorous black-and-white illustrations on every double-page
- With plenty of uproarious details and screamingly funny gags
- Fiendish fun for boys, girls, and adults!

Lucifer Junior is the Devil's son. He lives in Hell, and will one day take over the "family business". But his father still thinks Junior is far too nice for the job, and sends him off to spend some time in the land of the living at the boarding school St. Fidibus on Earth – after all, where better to learn how to be nasty than among human beings?

What happens in Volume 4:

Lucifer Sr is still missing and Uncle Gabriel cannot run the show any longer. Luce and his friends detect him in France, but a mysterious stranger follows them. Yet, a devil isn't deterred that easily! Soon, they not only find the senior but also discover that Lilly has demonic powers – she is Lucifer's twin sister! How is that possible?
