Story

Tania has everything other people can only dream about: she is beautiful, has a perfect boyfriend and everyone loves her. Almost everyone, that is, because anyone that successful is sure to be envied. Indeed, one of her fellow pupils seems to be sick to death of Tanja....

Everything seems to be going totally wrong for April. She had been looking forward so much to her holiday by the sea and now her boyfriend has dumped her. Luckily, a charismatic guy called Gabri turns up and gives her something else to think about. But Gabri is not who he appears to be. Not even what he appears to be.
