Story

Devils don't have it easy either!

- A **hilarious comic-style** series with a **fantastic hook**
- The perfect combination of a **school topic and devilish fun!**
- **Humorous black-and-white illustrations** on every double-page
- With plenty of uproarious details and screamingly **funny gags**
- **Fiendish fun** for boys, girls, and adults

Lucifer Junior is the Devil's son. He lives in Hell, and will one day take over the "family business". But his father still thinks Junior is far too nice for the job, and sends him off to spend some time in the land of the living at the boarding school St. Fidibus on Earth – after all, where better to learn how to be nasty than among human beings?

What happens in **Volume 8**:

It's Luzie and Lilly's birthday and in St. Fidibus everything is just ready for the big party. But suddenly, very bad news come up and the birthday guests find themselves in hell! Fun is over as Luzie, Lilly and their friends get into a live threatening adventure. That's clearly not how Luzie imagined his first birthday party.

Jochen Till

Jochen Till, born 1966, has been in hell for 20 years now in Section 66 (writers and other inventors of lies), condemned by Lucifer himself to write books for children and young people. What the devil doesn't know, however, is that he feels great down there and has a hell of a time doing it.
