Story

People make history – and not only popular politicians or military commanders. Everybody is a part of developing history in daily life with own decisions. It is important to know about the past to create the future. Guide to German History provides historical knowledge about Germany and different periods of time and helps young readers to understand that history is affects all of us.

- Basic questions and brief answers

- Open, honest and inspiring

-

Short chapters and paragraphs give background information

- Encourages the readers to think about everyday problems

Reinhard Barth

Reinhard Barth was born in 1943. He studied history, German and philosophy. He started out as an author for radio plays and is now a writer for political magazines and encyclopaedias.
