Story

WELCOME TO THE CRAFTWORK FOREST!

Craftwork, sewing, constructing things and making shapes that relate to the forest. They can be funny creations about the forest or made of forest materials – this book contains delightful creations which are all great for playing with, thanks to the useful tips that are provided. The difficulty level and time required is listed on each page in a helpful way. What's more, the zippy illustrations by designer duo Herr Pfeffer ensure that this book is much more than an ordinary craft book – it's a real eye catcher.

- Ecological craft ideas
- Using material that everyone has at home or can find outdoors in nature
- A theme-based mix of craft instructions and ideas for games
