What happens in Volume 5:

In the middle of summer, the sky suddenly darkens and an ice storm hits the elf forest. All the forest residents are in danger, because no one is prepared for the cold. Rubinia suspects that the reason for the mysterious spell is in the forbidden misty forest. And indeed: the bitter elf Terror sends bolts of ice across the land out of anger. With a lot of courage, Rubinia softens Terror's ice-cold heart and convince him to release the ice spell.
