Story

Off to the glittering forest!

Hello, I'm Gloria. Gloria Firefly, to be precise. Because there is no teacher in the Glittering Forest, my dad has to teach there for a while. I miss him a lot, but he has given us an important task: We are supposed to do three things that we are good at and one that we are not so good at. Phew, not so easy! Do you think I can do it?

Come along and accompany Gloria and her friends through the night and experience lots of magical adventures with them!

- Finally, a new volume in the **enchanting read-aloud series** about the cheerful firefly Gloria and her friends from the glittering forest.
- Exciting, magical and full of humour from the pen of the successful duo Susanne Weber and Kirsten

Vogel

- The likeable and lively characters offer plenty of **potential for identification**
- For reading aloud to **children aged 5 and over** and the whole family
- All chapters are self-contained so that children can fall asleep easily, but an overarching plot creates suspense so that you want to keep reading
- Perfect for **reading aloud together** in the evening or in between
- Ideal for building a reading ritual
- Lovingly and lavishly illustrated by Martina Matos
- With ribbon marker and glitter on the cover
