*Get creative in fashion heaven! How would you design clothes? What does your favourite shirt look like?
Everyone can get creative and design their own fashion line in this book!*

Welcome to a magical world! Trace a couple of lines, and magical images start to appear on the black surfaces. That's because there are brightly coloured patterns and glittery colours hiding beneath the black layer. Children can scratch away to their heart's content, revealing fairies, castles and glittering starry skies, and giving free rein to their imagination and creativity.
