Story

Devils don't have it easy either!

- A **hilarious comic-style** series with a **fantastic hook**
- The perfect combination of a **school topic and devilish fun!**
- **Humorous black-and-white illustrations** on every double-page
- With plenty of uproarious details and screamingly **funny gags**
- **Fiendish fun** for boys, girls, and adults

Lucifer Junior is the Devil's son. He lives in Hell, and will one day take over the "family business". But his father still thinks Junior is far too nice for the job, and sends him off to spend some time in the land of the living at the boarding school St. Fidibus on Earth – after all, where better to learn how to be nasty than among human beings?

What happens in **Volume 11**:

We did it! An exhausting school year is over, Luce and his friends can look forward to the great vacations. They travel to the North Sea in Gustav's parents' motor home. Even Cornibus is allowed to come along. He just has to be a cute little dog the whole time.

But what kind of strange neighbors do they have at the campsite? Black clothes, pale faces, white pupils

and then this strange pentagram on the camper. They look as if they were on the direct way to hell! By choice?
