Story

Each title in the Picture Dragon series contains one story for reading aloud divided into several chapters. Throughout the text, all nouns are replaced by pictures. A list of all nouns and corresponding pictures can be found in the back of the book. The series includes all topics that are popular with little readers: witches and magicians, ponies, princesses and pirates and many others.

THILO

THILO spent the first 20 years of his life in the children's corner of his parents' bookshop. He then travelled in Africa, Asia and Central America before successfully touring with friends as a cabaret trio. Today THILO lives in Mainz with his family and writes stories and scripts for TV programmes.
