Story

To bring readers into close contact with foreign countries - this is the idea that lies behind "Global Mysteries". In every volume young detectives pursue criminals and readers help them by solving tricky puzzles at the end of each chapter. An appendix provides additional information about the country in which the story is set.

An entertaining crime story and a geography lesson all in one!

Alexandra Fischer-Hunold

Alexandra Fischer-Hunold was born in 1966 in Düsseldorf. After studying German and English she worked at a travel guide publisher in Cologne. She is now a successful author of children's books. Alexandra Fischer-Hunold lives with her husband, daughter and her dog in Münster.
